By signing this form, you consent to our use and disclosure of protected health information according to the Notice of Privacy Practice available to you at our front desk.

I understand that I have certain rights to privacy regarding my protected health information. Those rights are given to me under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). I understand that by signing this consent, I authorize you to use and disclose my protected health information to carry out:

- Treatment (including direct or indirect treatment by other healthcare providers involved in my treatment).
- The day to day healthcare operations of your practice
- I also have been informed of and given the rights to review and secure a copy of your Notice of Privacy Practices, which contains a more complete description of the use and disclosures of my protected health information and my rights under HIPAA. I understand that you reserve the right to change the terms of this notice from time to time and that I may contact you at any time to obtain the most current copy of this notice.
- I understand that I have the right to request restrictions on how my protected health information is used and disclosed to carry out treatment, payment and health care operations but that you are not required to agree to these requested restrictions.
- However, if you do agree you are bound to comply with these restrictions, I understand that I may revoke this consent at any time in writing, signed by you.

The Patient understands that:

- We will not release information to any future doctor, attorney, life insurance company or workmen's compensation company without your written consent.
